

## Basil Hayden's Caribbean Reserve Rye LTO

Basil Hayden's® whiskeys are known for standing out in the crowd. The distinctive flavor of Basil Hayden's® Bourbon was originally inspired by the legend of a family recipe said to date back to 1796 when Master Distiller Basil Hayden Sr. broke 'the rules' and went off-the-beaten-path mixing the spiciness of rye with the smoothness of corn to create a light-bodied, mixable, and smooth yet a little spicy bourbon. To create Basil Hayden's® Caribbean Reserve Rye™, the blending team took inspiration from the growing trend of cask-finished ryes, and was particularly drawn to the sweet and spicy contrast between rum and rye. They spent over a year aging rye in rum casks, but couldn't get the flavor quite right. Finally they discovered that blending premium Black Strap Rum directly into the rye created the perfect molasses-sweet finish they were looking for. Basil Hayden's® Caribbean Reserve Rye™ is a blend of 8-year Kentucky Rye Whiskey and 4-year Canadian Rye Whisky. This unique Rye blend is finished with Black Strap Rum for a toasted oak flavor complemented with rye spice and molasses-rich sweetness.
