

Skinnygirl Sweet'arita

Created in 2009 by natural foods chef, New York Times bestselling author and television star Bethenny Frankel, Skinnygirl Margarita quickly became one of the fastest growing spirits brands in the U.S. This is the margarita to complement your sweeter side!

Skinnygirl Sweet'arita is made with Blue Agave Silver Tequila that makes for the perfect blend of sweet and citrus. It's a slightly sweeter taste in a low-cal margarita you love that will keep glasses rising for more.
