

## Skinnygirl White Peach Margarita

A refreshing spin on the original, consider our Skinnygirl White Peach Margarita the spunky sister to the Skinnygirl Margarita. Like the original, White Peach boasts premium Silver Tequila with sweet agave nectars, but adds in a unique twist with sweet ripe peach and hints of lime. But don't worry - this one's low-cal too, so you get added flavors without the added calories. So unlike siblings everywhere, this is one Margarita that always plays nice.
